## Vision

The vision of the College is enshrined in our emblem which upholds the values of 'Knowledge', 'Perseverance' and 'Empowerment'. Our motto is to impart knowledge as well as to inculcate in the students the quality of perseverance that will finally empower them and make them responsible citizens of our country and the global community. We firmly believe in Cardinal Newman's central idea: "Knowledge is, not merely a means to something beyond it", it is an "end sufficient to rest in and to pursue for its own sake" (*The Idea of a University*).

## Mission

Our mission, therefore, is to educate the young generation keeping in mind both the utilitarian scope of education and to ensure, at the same time, a holistic development of the mind and soul through proper assimilation of knowledge.

## Objective

The prime objective of the Institution is to enlighten the first generation learners and offer them a firm foothold in the society whereby they get an opportunity to place themselves as eligible competitors in the arena of emerging national and global challenges.
