

Annual Gender Sensitization Action Plan (2020-21)

A Gender Sensitization Action Plan for the session 2020-21 was drafted as follows even during the pandemic period:

1. Online seminars to be organized on gender equity by the Women's Cell of the college.
2. Regular monitoring of the menstrual health of the students, their medical needs and proper functioning of the vending machines in the college campus.
3. Women's Day celebration will be organized by the departments/subcommittees of the college.
4. Add on/Value Added Courses on gender equity and sensitization to be introduced.
5. Poster competition on women-centric issues may be organized online by the departments/sub committees.
6. Online workshops on the mental health of the female students during the Covid-19 pandemic may be organized by the departments.
