This institution has developed a regular practice of organising parent-teacher meet, peer-visit, invited lectures, students' seminar, alumni meet etc.

To inculcate knowledge and power in the minds of young learners, has long been the holistic vision of the college. This would lead to an all-round development of the nation, as a whole. The enhancement of the welfare of the society being our ultimate mission. The students' need to cater to global and national arenas, are thus adhered to. With the evolving time, our institution would thus be prepared to face challenges, that would answer all possible global crises. To emerge stronger and oriented in the face of a changed social order, is our ultimate ambition. We hope to achieve an all-round success by the help and co-operation of one and all.

College Profile

Established on 5 March 1964, Mrinalini Datta Mahavidyapith started its journey with the aim of catering to the expanding student population in Birati and its adjoining rural and semi-urban areas of 24 Parganas North. With the aim of making Higher Education accessible and affordable to the students coming from the lower socio-economic background, the social workers of Birati started this College under the aegis of Birati Sikkha Sansad. The College started its humble journey with ninety-five students and seven teachers, including the Principal, having provision only for Pass Course, with a limited option of subjects. The College was named after Smt. Mrinalini Devi, the mother of Sri Santosh Chandra Datta, who donated generously for the purpose.

In a span of fifty years Mrinalini Datta Mahavidyapith has evolved as a multi-faculty Degree co-educational College with Postgraduation Course in three subjects. Accredited “B++” in 2005 and “B+” in 2016 by the NAAC Peer Team, the College has tried to maintain and further escalate the heights of academic excellence and community welfare.

The voyage of this Institute started with the affiliation from the University of Calcutta that continued till the academic session 2007-08. From the session 2008-09 we were brought under the umbrella of the West Bengal State University, Barasat, through the Govt order No. 300-Edn(U)/EH/1U-38/08, dated 26 May 2008.

The second phase of our journey is also packed with its own charm and adventures. In the new era, we introduced Undergraduate Honours course in 6 Science subjects (Computer Science, Physics, Mathematics, Botany, Zoology and Chemistry) and the Postgraduate courses in Bengali (2014-15), Education (2018-19) and Commerce (2019-20). With such expansion, the College now runs Honours Courses in 20 subjects and General Courses in 23 subjects in the streams of Arts, Science, Commerce and Management. Three new subjects, Microbiology, Psychology and Food and Nutrition, have been introduced from the current session.

It is also a matter of great inspiration for the stakeholders of the College that with the catalytic intervention of the Hon’ble President of our Governing Body, the Government of West Bengal has awarded us in the year 2014 a LTS (Long Term Settlement) of 1.87 acres (112 cottahs) of land in two plots at Fatullapur, Nimta for the establishment of the Second Campus of our Institution and the Governing Body of the College has decided to introduce professional courses in the new campus.

The College has been able to expand its infrastructure significantly with the increasing involvement of our stakeholders. A generous patronage of Rs 20 lakhs was provided by the Hon’ble M.P. for the construction of our auditorium and we received Rs 3 lakhs from the MLA LAD fund of the Hon’ble President of our Governing Body for the development of our playground. She has also been instrumental in securing grant of Rs 18 lakhs from the Department of Higher Education, Govt. of West Bengal.

In the long stretch of fifty years Mrinalini Datta Mahavidyapith has treaded not only on a garden bestrewn with roses. The thorns pose constant threats to the wellbeing of the College as well. However, we are steadfast in our mission that is enshrined in our emblem – ‘Knowledge’, ‘Perseverance’ and ‘Empowerment’ – and we have resolved to forge ahead through the obstacles that come our way. Like that of the unrelenting hero, Ulysses, we are determined “To strive, to seek, to find, and not to yield” (Ulysses by Lord Alfred Tennyson).

Vision

The vision of the College is enshrined in our emblem which upholds the values of 'Knowledge', 'Perseverance' and 'Empowerment'. Our motto is to impart knowledge as well as to inculcate in the students the quality of perseverance that will finally empower them and make them responsible citizens of our country and the global community. We firmly believe in Cardinal Newman's central idea: "Knowledge is, not merely a means to something beyond it", it is an "end sufficient to rest in and to pursue for its own sake" (*The Idea of a University*).

Mission

Our mission, is to educate the young generation keeping in mind both the utilitarian scope of education and to ensure, at the same time, a holistic development of the mind and soul through proper assimilation of knowledge.

Objective

The prime objective of the Institution is to enlighten the first generation learners and offer them a firm foothold in the society whereby they get an opportunity to place themselves as eligible competitors in the arena of emerging national and global challenges.

Let the brain, the body, muscles, nerves, every part of your body be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced.”

10. Curricular components of the undergraduate programme

In accordance with NEP Curriculum & Credit Framework 2020 the undergraduate programmes governed by this Advisory contain the following course components:

● Major and Minor disciplines

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline.

In addition to major and minor disciplines, a student admitted in the 4- year Undergraduate programme (Hons./Hons. with research) has to take the following courses as shown in Table 1 & Table1A.

● **Multidisciplinary Course (MDC) :**

All UG students are required to undergo 3 different introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already studied at the higher secondary level (12th class) and those chosen as major and minor subjects.

The university will provide a list of courses under the 5 categories mentioned in the NEP document. Students will be asked to choose 3 different MDCs in 3 semesters from the pool of courses offered by the college.

**** FOR BBA COURSES MDC WILL BE PROVIDED BY THE CONCERNED UG-BOS.**

Categories	Multidisciplinary Courses from the following disciplines
1.	Life Sciences/ Chemistry/ Physics/Electronics/Anthropology/ Geography
2.	Mathematics/ Statistics/Computer Application/Economics/Computer Science
3.	Library and Information Science /Journalism/Mass Media & Communication.
4.	Travel & Tourism/Commerce/Management/Advertisement & Sales Promotion
5.	Defence Studies/ /Psychology/Human Rights/Education/ Sociology/Political Science/Philosophy/History/ Film Studies/ Physical Education/ Women Studies/Music/Human Development/NCC

● **Ability Enhancement Course (AEC):**

Students are required to achieve competency in a Modern Indian language and in the English language with special emphasis on language and communication skills. These courses aim at enabling the students to acquire and demonstrate the core linguistics skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently.

● **Skill Enhancement Course :**

These courses are aimed at imparting practical skills, hands-on-training, soft skills to enhance the employability of the students.

Each of the AEC and SEC courses shall carry 3 credits.

- ◆ *Students are required to choose three different SEC courses in their 1st, 2nd and 3rd semester of study from a pool of courses offered by the college.*
- ◆ *For AEC, they have to study three courses (each of 3 credits) of English and Modern Indian language (MIL) in their 1st, 2nd and 3rd semesters of study. In semester 1 students will take English or MIL; in semester 2 they will study a course in MIL. Those who cannot study MIL will choose English as MIL; in semester 3 all students are to study a course in English.*
- ◆ *For 3 year Multidisciplinary UG programme 2 SECs from one discipline (SEC1 &2) and 2 from another discipline (SEC 3&4) will have to be taken.*

**** FOR BBA COURSES SEC WILL BE PROVIDED BY THE CONCERNED UG-BOS.**

● **Value Addition Courses (VAC) :**

These are courses that will help develop all capacities of human beings – intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Each of these courses carries 3 credits. The colleges will choose two out of the three VACs offered by the university as mentioned hereunder.

- (a) VAC 1 — Environmental Studies (Theoretical)
- (b) VAC2 — Introduction to Cyber Security (Theoretical)
- (c) VAC3 — Value of Yoga and Meditation in Life (Theoretical + Practical)

Students will be required to pursue or study two value-added courses (VAC), one in their 1st and another in their 2nd semester out of the above 3 VA courses.

● **Internship :**

A course requiring students to participate in a professional activity or work experience, or cooperative educational activity with an entity external to the educational institution, normally under the supervision of an expert of the given external entity. A key aspect of the internship is induction into actual work situations. Internships involve working with local industry, government or private organizations, business organizations, artists, crafts persons, and similar entities to provide opportunities for students to actively engage in on-site experiential learning.

The student has the option to complete a 4-credit internship in a lab, industrial organization, R & D lab, or through community engagement, NSS, NCC as organized by the college. The student must complete a 4-credit internship by his/her 5th semester of study.

Note: It is advisable to complete internship after the appropriate even semester within the gap between the end semester examination and result publication. If a student wants to leave the course with a certificate/diploma/degree, s/he should obtain the result from the college on showing the internship certificate. For a 4 year Honours a student should complete the internship within the first 6 semesters.

“Without “ethical culture,”
there is no salvation for humanity.”

– Albert Einstein

“The most important human endeavor is the striving for morality in our actions. Our inner balance and even our very existence depend on it. Only morality in our actions can give beauty and dignity to life. To make this a living force and bring it to clear consciousness is perhaps the foremost task of education. The foundation of morality should not be made dependent on myth nor tied to any authority lest doubt about the myth or about the legitimacy of the authority imperil the foundation of sound judgment and action.”

– **Albert Einstein**
